## TESOL Certification

- Explore different methodologies, materials, and technologies.
- Learn more about language and theories of second language learning.
- Engage in meaningful interactions with Canadian and International colleagues.
- Immerse yourself in English and Montreal culture.

## Requirements

University BA, BSc. or equivalent for those who need Standard Level 1 teaching from TESL Canada Federation. Or if the applicant does not have a university degree and wishes to register for this program, she/he will be accepted, but is not eligible for standard level 1 certification from TESL Canada. The graduates will receive their certificate from Canada College, enabling them to teach ESL courses anywhere in the world. The only difference is that those without a Bachelor's degree are not eligible to teach TESOL courses.
